**THE LIBRARY MISSION**

To enhance the quality of life in Brunswick and Harpswell by providing free and equitable access to information and ideas that enlighten, inspire, enrich and entertain.

**ENHANCING QUALITY OF LIFE**

The mission of Curtis Memorial Library is simple: To enhance the quality of life in Brunswick and Harpswell by providing free and equitable access to information and ideas. We want to thank each of the individuals and organizations listed in this report for providing the financial support that allows us to achieve this mission. Curtis truly opens up a world of possibility for each individual in the community and the long list of names in this report demonstrates the depth of caring and support for that mission.

This year we decided to ask the library's users why Curtis matters to them. Within this report you'll find their responses. They speak with conviction, caring and eloquence about the library's role as a community center, as a source of ideas and information, as a place where the public comes together. We hope you enjoy reading what your fellow citizens have to say. The Annual Report tells you **who** gave to the library. We wanted to make sure you could also hear **why** they gave.

With each of the many types of contributions in time, talent and treasure listed in this report, Curtis is able to take one step further along the path toward realizing its mission. Thank you for being part of that work.

Christopher E. Goodwin,  
President, Board of Directors

Elisabeth Doucett,  
Library Director

“We are so fortunate to have such a beautiful, outstanding library in the Brunswick community. I come to the library to nourish my soul when I need some positive energy. I come here to relax, browse and enjoy the peace and solitude. People go to the ocean, I come to the library. ***It's a place of well-being for me.***”  
—Stacia Stevens

“The library, the physical building and its holdings and staff, and the library, the service and portal, are as essential to my living at the level of engagement that I need with my world, as my profession is to a level of service. Simply put - the library is my doorway to a world that I would otherwise have no way of living in. I cannot imagine life without it.” —Brenda Kelleher

“I entered the dissertation phase of my doctoral education in January 2010. While the university's library is excellent, I have come to depend on the Curtis Memorial Library for journal articles and books that are otherwise not available through the university. Your online research database (MARVEL!) and interlibrary loan capabilities fill a critical niche in my research needs.” —Nicholas Dodge

“Recently I was without internet access at my residence in Harpswell. I asked for the use of a computer in the main library in Brunswick. Chris at the main desk enabled my account and Linda in Reference helped me print out an important document. Thank you Curtis Library for your assistance. You **are an important resource** for our Brunswick and Harpswell communities.” —Edward N. Perry

“This library has been a mainstay for our family. My middle-school age daughter has practically grown up among its bookshelves and it's where she first gained her love of reading. The library not only offers an incredible selection of books for kids and teens, **it is also a great community center.** Hundreds of people benefit from the use of its rooms for meetings, free tax preparation during tax season, and special events.” —Sharon Ross

“I've attended numerous talks and events in the Morrell Room, a beautiful and useful space...The library is key to providing important services to the Brunswick community at large...” —Karin Hoppenbrouwers

### DOOR TO THE WORLD

“Curtis Memorial Library is the elephant in the old joke about the three blind men. It’s everything in one, but something different for everyone. ... Curtis Memorial Library is pretty much the **door to the world.**” —Michael Connelly

“I have always loved libraries. My parents introduced me to the joy of reading and the wonderful joy of libraries when I was ten. I’m now 57. The staff here is always helpful and pleasant. The collection of books is great, I’m never bored with it, in fact it’s hard to choose which book to read first. Thank you for being here and continuing a positive library experience.”  
—A Library Patron

“This is the best organized and most carefully run library in my 55 years of going to libraries.” —Mrs. Rodney (Lucy) Holm

### A BIG THANK YOU

“I don't have a lot of extra money so it's great to be able to borrow the free movies and books I want to read but can't afford to buy. It's also really nice to be able to use the computers to check my email and research stuff online. ***Without the library I wouldn't be able to do this. A big thank you!***” —Amanda

“As a librarian, homeschooling mom, self-educator, and diverse reader, libraries have always been vital to me. I laugh about building my mind and body - lugging 30-40 lbs of books each week! My 14-year-old son said that Curtis was his favorite place; that home is nice, homeschool group is great, but the library always has something he wants to read or watch or learn about. Our libraries are suffering, and I can't think of an institution that houses a more diverse set of services our communities cannot live without. Libraries in general rock, but the Curtis Library is a special perfect storm of staff, resources, location, and availability that is rare and precious. Thank you for all your work and dedication!” —Quinn Blaiklock

*The Board of Directors and Library Staff extend their thanks to local taxpayers, donors, volunteers and patrons for giving us the resources to do our jobs and serve the public. There is no greater satisfaction for a public librarian than helping a patron find just the right book, or discover the answer to a question.*

*Ours is a unique community that treasures its library, and we thank YOU.*

## SUPPORTING THE EXTRAS THAT HELP MAKE CURTIS A GREAT LIBRARY

This has been a very busy year for Curtis Friends as we continue to support all that the library does. This year our support took the form of book sales, donations for needed items, outstanding speakers for the library and community at large, and cleaning up the grounds among many other things. All that we do is made possible through membership dues and donations and revenues from our book sales.

The membership structure changed this year to include different levels of participation and we have had enormous success with this. Our membership numbers and dues are both up from last year. This has enabled us to continue to help the library through a difficult budgetary year.

We were all saddened in February when new board member Greg Sulwold passed away suddenly. We miss him and his contribution to the leadership of Curtis Friends.

As we look to the future, we will continue to provide the support needed to make Curtis Memorial Library the outstanding institution it is. Your contributions and continued membership to Curtis Friends is vital to help us make this happen. Thank you to all those listed in this Annual Report for their continued support of Curtis Memorial Library.

—Carrie Strassburger, Curtis Friends President
