THE LIBRARY MISSION

To enhance the quality of life in our communities by advancing knowledge, fostering creativity, encouraging the exchange of ideas, and building community.

COMMUNITY IMPROVES LIVES

The mission of Curtis Memorial Library is to enhance the quality of life in our towns. We do this by advancing knowledge, fostering creativity, encouraging the exchange of ideas and by building community.

That last point is particularly important – fostering a sense of community as a way of genuinely improving lives. Being connected to each other is something we all value but it is becoming harder and harder to do in today's world. Curtis Memorial Library is still able to open that world of possibility to each of us.

This annual report is our way of recognizing and thanking those many, many individuals, businesses and institutions that contribute the financial support to enable our efforts to build community. Curtis is able to do so much because we are supported by so many.

This year we decided to share some of the many types of community that make this library such a special place. The wide diversity of people, ideas and interests represented here truly can't be found anywhere else in our town. Thank you again to all of you who make this unique place possible for all of us.

Elisabeth Doucett,
Library Director

Our Vision in Action 2010 - 2011

The library vision gives voice to our aspiration to be an essential focal point of community life, offering a safe, trusted environment in which the community's needs are met in six key areas.

A HOME FOR READERS

The library will be a home for readers where everyone can find the stories they want to read, listen to authors talk about their books, share literature with each other, and explore the world through the written word.

The Board of Directors and Library Staff extend their thanks to local taxpayers, donors, volunteers and patrons for giving us the resources to do our jobs and serve the public. There is no greater satisfaction for a public librarian than helping a patron find just the right book, or discover the answer to a question.

Ours is a unique community that treasures its library, and we thank you.

Endowed funds at Curtis Memorial Library are listed on page 11. These funds have been established by forward thinking library supporters over many years and reflect the deep conviction by community members that Curtis is a vital resource that needs to be supported over the long term.

The library benefits tremendously from having an endowment. It means that there is a regular source of funds to supplement library operations, the maintenance of the building and grounds and the library's Annual Book Fund. Curtis Memorial Library is grateful to all our endowment donors, those who established the funds and those who continue to contribute to the principal from year to year.

The principal for the funds is invested in a portfolio professionally managed by UBS. A portion of the earnings is drawn each year for use by the library.

Anyone interested in establishing a new endowment fund is encouraged to contact Liz Doucett, Library Director. Donations to existing funds are welcome any time.

Phyllis Fuchs reads to children in 1970 and again in 2011; her lifelong literary journey continues. The Phyllis Rocke Fuchs Children's Book Fund was established when she retired as Children's Librarian in 1999.

HELPING TO BUILD A COMMUNITY AT CURTIS MEMORIAL LIBRARY

Curtis Friends has had a busy year as we continue to support all that the library does. This year our support took the form of book sales, donations for needed items and staff professional development, painting both the teen area and the Money Works room, and cleaning up the grounds in fall and spring among many other things. All that we do is made possible through membership dues, donations, and revenues from our book sales. We continued to have record-breaking results for the Children's book sale as well as the annual book sale. Each had an increase in the number of books donated as well as the number sold. These vibrant community events were enjoyed by all ages.

Our new membership structure with the emphasis on renewing memberships has been very successful. Membership numbers and dues are both up from last year, and we continue to look for new ways to reach into the community to find new members and let them know about all that Curtis has to offer.

As we look to the future, we will continue to provide the support needed to make Curtis Memorial Library the outstanding community institution it is. Your contributions and continued membership to Curtis Friends are vital to help us make this happen. Thank you to all those listed in this Annual Report for their support of Curtis Memorial Library.

Curtis Memorial Library, Parkview Adventist Medical Center, and Mid Coast Hospital have created one of the finest medical information delivery systems available in Maine.

CHIP (*Community Health Information Partnership*) was initiated in 1999 to provide the public and healthcare professionals with up-to-the-minute health and wellness information and educational programs.

Curtis Memorial Library has an outstanding collection of print, audiovisual, and electronic resources on health and medicine— all supported by a knowledgeable and professional library staff.

Both Mid Coast and Parkview are committed to community wellness and offer a wide range of health education programs for persons in pursuit of healthier, more rewarding lives.

Learn more about CHIP by visiting Curtis Memorial Library or by calling one of its helpful staff librarians. To learn more about local health education programs, visit your hospital's website or call its health education offices at the numbers at left.
